

This is a cat world,  
alien eyes,  
purring love  
and sharp claws.  
Akkamiau is full of  
arrhythmical motion,  
warping melodies in space,  
crying alone in echos,  
dreaming most of the time.  
Playing along with life,  
soft paws on the path.

## sound production

2013

### **Shadows of aikia**

music composition for audiovisual performance  
Shadows of aiKia by StratoFyzika  
[https://soundcloud.com/spiritantipode/love\\_u](https://soundcloud.com/spiritantipode/love_u)
